If you know where Villaggio is then it's really easy using the map. Coming up Al Waab Street, you have to pass the Stadium and the huge torch. Pass Villaggio too, and also Hyatt Plaza. They will all be on your right as you pass them. Distance from roundabout at Stadium to traffic lights after Hyatt Plaza is 2.5km.

At the traffic lights or junction from Al Waab street (you will see the zoo wall on your left), turn right.

Go straight for 1.8km until you reach another roundabout (it'll be the first you come to). Turn left off the roundabout. You will see the Qatar Equestrian Racetrack in front and to the left as you reach the roundabout.

Once you've turned off the roundabout, follow the road and count 3 small roundabouts for a total distance of approximately 2.4km. When you get to the third small roundabout, carry on straight. You will immediately see that the road stops (and a dirt track begins). Just before the start of the dirt track there is a road going left, take it and follow the road.

Follow the road for 1km until you get to a T junction. Turn right.

Take the first right onto a dirt-track that leads to the back of the farm; please park at the fence.
