From the Racing and Equestrian Club

Coming from the Racing and Equestrian Club, take a right at the next roundabout (before you get to the lights opposite the zoo). Follow the road straight going over 3 small roundabouts for a total distance of approximately 2.4km. When you get to the third small roundabout, keep going straight and take the left turn (Al Huda Primary Girls School is on the corner). Keep going straight for approximately 1km (you will go over 3 speed bumps along this road so watch your speed) until you get to a T junction. Turn right. You'll go over 1 speed bump. Take the first right turn off the main road onto a dirt track (there will be a stop sign in Arabic at the point where you turn right), look for a broken concrete road which you will use to follow to get to QAWS. It is worse in some places so drive slowly! You will be heading towards the shelter at this point which looks like a wooded area if you are going the right way. You will have a small football pitch to your left and eventually pass some camels on your right. When you get to the bottom of the road at the trees, there will be a sign for Qatar Pets/QAWS parking and you should be able to see the shelter just through the trees in front of the parking area.

Welcome to QAWS!

From Al Waab Street

Coming up Al Waab Street, go past ASPIRE, Villaggio and Hyatt Plaza Shopping malls on your right. At the set of traffic lights just past Hyatt Plaza (with the zoo on your left), go straight. At the first roundabout, make a right. You'll go over a speed bump and then come to a roundabout, make a left at the roundabout. Continue straight (going over 3 more speed bumps), go straight at the next roundabout. You'll then have some shops on your right, continue straight over more speed bumps passing 2 streets on your right and some villas under construction on your left and right. After the villa on the corner, take the first right turn off the main road onto a dirt track (there will be a stop sign in Arabic at the point where you turn right), look for a broken concrete road which you will use to follow to get to QAWS. It is worse in some places so drive slowly! You will be heading towards the shelter at this point which looks like a wooded area if you are going the right way. You will have a small football pitch to your left and eventually pass some camels on your right. When you get to the bottom of the road at the trees, there will be a sign for Qatar Pets/QAWS parking and you should be able to see the shelter just through the trees in front of the parking area.
